

Feenics Inc. places No. 231 on the Globe and Mail's second-annual ranking of Canada's Top Growing Companies

Report on Business ranking validates Feenics as one of the fastest growing companies in Canada

Ottawa, Can. – September 25, 2020 — Feenics, an Ottawa based provider of forward-thinking Access Control as a Service (ACaaS) solutions, today announced that they have placed 231st on the 2020 Report on Business ranking of Canada's Top Growing Companies which ranks Canadian companies based on three-year revenue growth.

"We are thrilled to be recognized as one of the fastest growing companies in the country," stated Sam Shalaby, Founder and CEO of Feenics, "the dedication and hard work our extraordinary team puts forth each and every day to serve our customers is what makes this ranking possible. I am very proud of what our team has accomplished!"

"We have known for quite some time that the market for cloud based security would continue to evolve as the world races to move more of its technologies to the cloud," added Mr. Shalaby, "the rapid adoption of our Keep By Feenics™ Access Control as a Service (ACaaS) platform has helped propel us to this most recent recognition and will continue to fuel our growth next year and beyond."

Launched in 2019, the Canada's Top Growing Companies editorial ranking aims to celebrate entrepreneurial achievement in Canada by identifying and amplifying the success of growth-minded, independent businesses.

"The stories of Canada's Top Growing Companies are worth telling at any time but are especially relevant in the wake of COVID-19 pandemic," says James Cowan, Editor of Report on Business magazine. "As businesses work to rebuild the economy, their resilience and innovation make for essential reading."

"Any business leader seeking inspiration should look no further than the 400 businesses on this year's Report on Business ranking of Canada's Top Growing Companies," says Phillip Crawley, Publisher and CEO of The Globe and Mail. "Their growth helps to make Canada a better place, and we are proud to bring their stories to our readers."

The full list of 2020 winners, and accompanying editorial coverage, is published in the October issue of Report on Business magazine—out now—and online at tgam.ca/TopGrowing.

Feenics continues to fortify its position as an ACaaS market leader. They are a Mercury Platinum level partner and are certified as an International Organization for Standardization [ISO 9001:2015](https://www.iso.org/standard/54554.html) company. Keep has been newly certified as a FICAM & FIPS-201-2 compliant solution. In addition, the company recently received a 2020 Platinum [Govies Award](#) from *Security Today* in the Access Control Software/Controllers category.

About Feenics

Feenics is paving the way for the future of physical security with innovative cloud-based access control solutions. Feenics is the maker of Keep, a cloud-hosted platform that provides extreme scalability, unprecedented flexibility and advanced security in ACaaS applications. It integrates native visitor management and a RESTful API that allows simple integration of complementary systems and open hardware devices, resulting in a lower total cost of ownership. Keep by Feenics offers on-site servers or offsite cloud deployment, hosted by Amazon Web Services. Leveraging Authentic Mercury Security open field hardware, Feenics works with industry leading video, intrusion and wireless lock manufacturers, delivering robust solutions through its value-added reseller partners around the world.
